### Description

Traditional Andalusian village house situated in a charming little plaza in the historic old part of the village of Jimena de la Frontera. Recently renovated the house is a charming mix of the modern and traditional styles. Good size patio with views to the countryside. The house is built on 2 floors, the ground floor accommodation comprising of an entrance hall with the 3rd single bedroom or could be used as an office, off the entrance hall. Leading through to a dining area. Off the dining area is a brand new stylishly modernised shower room. The spacious kitchen has been recently refitted and comes complete with central island, american fridge freezer, oven and hob, dishwasher and washing machine. Beyond the kitchen is a very attractive living room with woodburner, which leads out into the partially walled patio, there is plenty of scope to make this into a very lovely outside garden, lots of room for bbq, dining furniture and even a jacuzzi !! Super views out to the countryside. The first floor comprises of the principal double bedroom a family bathroom and a smaller double, which has an sloping roof, so would be more suitable as an occasio...
