PRETTY STONE-BUILT COTTAGE BY  
THE RIVER GENAL This pretty stone-built  
cottage is in a idyllic location by the River  
Genal only 15 minutes drive south from  
Gaucín. It has lovely views of the  
mountains and is surrounded by  
picturesque countryside in a protected  
area of outstanding natural beauty. The  
single-storey cottage was constructed to a  
good standard in 2008 using traditional

makes it a cosy, comfortable and practical  
home with a lovely rustic ambience and in  
total harmony with its beautiful  
surroundings. The property is accessed  
approx. 1.5 km along a track (5 minutes  
drive) from the main road between  
Casares/Gaucin. Interior: The attractive

a beamed ceiling in pine. It comprises a  
cosy sitting area with a wood-burning
