Description

LOVELY TRADITIONAL RESTORED COUNTRY HOUSE JUST A FEW MINUTES FROM JIMENA DE LA FRONTERA This beautiful property is located in a small quiet hamlet and there is a lovely Andalusian bar restaurant just a couple of minutes' walk away. There is a large bright open plan living/dining area with a high quality wood burning stove for those occasional chilly evenings. The kitchen is fully fitted and again is in a traditional country style. The property holds 3 good sized bedrooms and 2 bathrooms. One of the bedrooms is on the ground floor which is useful for guests or could be used as an office. The master bedroom enjoys lovely country views from the sunny south facing terrace. Also downstairs is an inside/outside covered terrace for dining or as a play area. One of the main features of this property is the outside space with a 10x5 swimming pool set in a good sized lawned garden. To complete the good life feel of the property is a separate vegetable garden. There is also a covered garage and store room.
