### Description

This Finca of 30.000m<sup>2</sup>, is place within natural surroundings close to El Gastor in the province of Cadiz, on a small mountain with more than 300 trees like; olive, carob, holm oaks and more. The whole property is fully fenced. In addition to the beautiful landscape, it is very peaceful and quiet with only the birds singing. From the property, you will be able to see the Lake of Zahara-El Gastor, Montes Algarines and something more distant the Sierra de Grazalema. It has two porches, each of them directed towards the different landscapes that surround the house that will allow sun all through the day. The house is very cozy, has a large living room, 3 bedrooms, kitchen and bathroom. The windows have double glazing. It is surrounded by 3 large courtyards, decorated with gardens, and has a stone barbecue for the Al Fresco lifestyle. From the porch of the kitchen you access the pool area by a stone staircase with interior light, which is located on a 300m<sup>2</sup> garden. On one side is a stone construction to protect from the sun, and on another is a farm house containing a water tank of 3,000 liters, and full irrigation system. The water is of mains and has a lot of...
